Exercises

No exercises for this reporting period

Craft – Turney DW Incident:

The WSC continues the Flushing Plan on all affected distribution lines. The EPA Houston lab has completed development of a GC method for MBT. TCEQ will be collecting samples today and plans to have them delivered to the Houston lab this evening for analysis.

Oklahoma Severe Weather: The Governor of Oklahoma declared a State of Emergency yesterday for all 77 Counties in the State after approximately 7 tornados touched down in multiple counties causing

significant damage to infrastructure. No fatalities or injuries reported. The State EOC is now at Level III. There have been no requests for federal assistance at this time.
